

Paatsaali School

April 20, 2017

Dear Parents/Guardians,

The purpose of this letter is to address any concerns you may have about the recent announcement by the federal government to legalize marijuana in Canada on July 1, 2018.

I want to assure you that this change in legal status will not affect our expectations or operations at Paatsaali School.

Our student code of conduct expects that students will arrive at school well rested, prepared and ready to learn. Any student arriving at school impaired and/or under the influence of any drug, including marijuana, would be dealt with using our Inuuqatigiitsiarniq Policy as developed by the Sanikiluaq District Education Authority.

Marijuana, in any form, will not be allowed on school property at any time.

If you have any questions or concerns about this topic, please contact me at 266-8170.

Sincerely,

Tim Hoyt  
Principal
